

Mission Trip to Rockaway Beach

At Bridge of Faith, our mission is to transform generations that transform communities. Throughout the years, many organizations and countless individuals have partnered with the work in Rockaway Beach. It is an incredible experience to see where God is already working and to join Him there.

Mission Teams can join us in our vision to transform this former resort town from one known for deep poverty, methamphetamine use and broken families to one where citizens flourish with an understanding of their true identity in Christ.

We recently purchased an abandoned resort and are working to renovate the cabins into business spaces in order to provide jobs and opportunities for our citizens. When we preach the Gospel, we strive to do it “wholistically,” because we believe God has concern for the whole person: physical, emotional and spiritual. Throughout the year, there is abundant opportunity to assist with construction projects, church programs and our multi-site thrift store ministry.

We would be honored to have your team join us to further the Kingdom in rural Southwest Missouri!
